The sport a boy grows up with... Shooting a Daisy®

In training youngsters to play baseball, there is simply no substitute for practice. The same applies to shooting a Daisy B-B gun.

Practice makes you a better shooter. And when you start hitting bullseyes, it gives you a real sense of satisfaction. I know, because I've been hitting bullseyes with Daisy B-B guns for over 35 years.

Now I'm teaching my son Marc to shoot. Right from the start, he's developing coordination and skills that will help him in any sport. At the same time, he's gaining the confidence that will help him grow up to be the man he wants to be.
